FOR IMMEDIATE RELEASE

## **WESTGEN CELEBRATES GRAND OPENING IN ABBOTSFORD**

August 16, 2016 marked the Grand Opening celebration of WestGen's new home in Abbotsford British Columbia

WestGen's Grand Opening was Tuesday, August 16, 2016 at 10:30 am at 1625 Angus Campbell Road, Abbotsford, V3G 2Y8. In attendance was the Honourable Judith Guichon, the Honourable Norm Letnick, The City of Abbotsford's Mayor Henry Braun, The Township of Langley's Mayor Jack Froese, City of Abbotsford Directors Darren Braun and Wendy Dupley, Abbotsford MLA's Darryl Plecas and Simon Gibson as well as many retired and existing WestGen Board members, WestGen CEO, associated press and staff.

As the city of Langley has grown around us, nudging farms further eastward into the valley, it was time for WestGen to move closer to the heart of BC's cattle industry. The new office has been built as Phase One and the plans for Phase Two, the building of new barns, are already in production.

We are now embarking on the next exciting chapter in Abbotsford, British Columbia!

### **About WestGen**

WestGen has been in business for 72 years this year and this past year has yet been another great year in the company's progression. We have a new building, a new home for our future, and we also have our growing businesses. Cryogen, Boviteq West and our Semex investments. We are looking forward to Phase 2, when Boviteq West will join Cryogen and WestGen at our new home.
